

WALTER L. MAIN'S CIRCUS HERE

What is there about a circus that thrills the blood of a healthy person? What is it that makes you restless and when you have seen one you have seen them all, but still you waltz fast—or even run—right in the heat of the day in order not to miss one bit of the fascinating street parade. Why do you do it? Think it over. Then you will go to the show "just to take the children" or possibly because your girl insisted on going and you did not wish to displease her.

It's all right to alibi yourself, almost everybody has done the same time and time again. Let's all be human when the Walter L. Main Fashion Plate Shows are in Scotland Neck, Thursday, Sept. 8th and have a good time. Good circuses do not come often and they are not expensive. So meet us in front of the elephants when

the Walter L. Main shows are in Scotland Neck and we will throw trouble to the winds and peanuts to the elephants.

You say that circuses are all alike and stand up on your toes when you hear the band coming up the street playing that music with a swing and vigor only heard in a circus band?
